S.H.A.P.E. Ministry Profile

Please complete this survey and email a copy to the church office at hillsidechurchmorden@outlook.com or in person at **10 Thornhill St. in Morden**. This information will help shape our decisions about how to create the best possible ministry strategies to serve you and areas in which you may be willing to lend your talents.

About S.H.A.P.E.

"... just as each of us has one body with many members, and these members do not all have the same function, so in Christ we, though many, form one body, and each member belongs to all the others. We have different gifts, according to the grace given to each of us..." Romans 12:4-6

Whenever God gives us an assignment, He always equips us with what we need to accomplish it. This custom combination of capabilities is called your SHAPE:

Spiritual gifts – Unwrapping Your Gifts will give you an overview of spiritual gifts and help you identify which ones you may have been given by God.

Hear – Monitoring Your Heartbeat will help you clarify what you really love to do.

Abilities – Applying Your Abilities will help you appreciate the natural talents and vocational skills you have.

Personality – Plugging in Your Personality will help you see how your God-given temperament can best be used in ministry.

Experience - Examining Your Experiences will help you review your history to discover how God has prepared you for a unique ministry that only you can fulfill.

Ministry is using what God has uniquely given you to uniquely serve Him and the needs of others. The above five factors will help you determine where you can best serve Him - either within or outside of Hillside Community Church - with joy, fulfillment, and fruitfulness. Discovering your set of spiritual gift(s), heartfelt passions, abilities, personality, and life experiences will help you understand how God has designed YOU to uniquely serve.
